Remote Arming

Ultimate Perimeter Security Control.

As you arrive home Friday afternoon—your insides seize.

“Did I arm The Electric Guard Dog™ Fence?”

Fortunately, you installed Remote Arming on your mobile device. The Total Connect 2.0 app displays alarm status. In the “remote” chance it slipped your mind, you can arm or disarm the fence from anywhere.

Benefits:

Arm your site remotely

Check perimeter status any time

Check your mobile device for instant and lasting peace of mind
